Operadora de Servicios Mega, S.A. de C.V., SOFOM, E.R. Announces Updates on 8.250% Senior Notes due 2025
(the “Notes”)

JALISCO, Mexico, August 12, 2024. Operadora de Servicios Mega, S.A. de C.V., SOFOM, E.R, a regulated multiple purpose financial company (“Mega” or the “Company”), announces that upon undertaking a strategic review of its capital structure, the Company is in the process of engaging with its creditors to reach an agreement on possible recapitalisation.

In connection with any such recapitalisation, and although the Company is able to pay its debts as they fall due, the Company believes that it is in the interests of all of its stakeholders to defer interest payments on certain outstanding debt obligations, including the coupon payment due on August 12, 2024 in respect of the Notes. The non-payment of the coupon under the Notes does not constitute an event of default unless it remains outstanding for a period of 30 days. The Company remains committed to complying with all of its obligations and will provide further updates regarding its recapitalisation plans shortly.

To assist in its recapitalisation process, the Company has retained Cleary Gottlieb Steen & Hamilton LLP and Mijares Angoitia Cortés y Fuentes, S.C., as legal advisors, and Houlihan Lokey Capital, Inc. and Blink Capital Solutions, as financial advisors. The review of Mega’s capital structure has been focused on the Company’s balance sheet and is not intended to impact the Company’s business operations or employees.

ABOUT THE COMPANY

The Company is a Mexican leasing company based in Guadalajara, Jalisco, with more than 19 years of operating experience specializing in three main business lines: leasing, lending and auto loans. In addition to the Company’s headquarters located in Guadalajara, it has five branches throughout Mexico, located in Mexico City, Puebla, Cancun, Queretaro and Leon, and one additional office located in San Diego, California. Through the Company’s leasing business line, it offers leases for a variety of machinery and equipment (including computer numerical control (CNC) machines and bending machines), transportation vehicles (including cargo and passenger vehicles) and other capital assets used in a variety of industries in Mexico. Through its lending business line, the Company provides financing to small and medium businesses for the acquisition of durable goods and equipment (such as greenhouses and macro-tunnels), as well as liquidity and financing solutions for their working capital needs. The Company’s auto loans business line, based in San Diego, California, specializes in loans for the purchase of pre-owned personal vehicles.
